Director/OSI

Attached are questions which were prepared some time ago by the individual offices as part of an examination for members of an orientation course given by OTR. We would appreciate your review of each question to determine if you wish to have it included in a new examination booklet being prepared by OTR. If you wish to substitute questions or provide additional questions which may serve to identify the functions of your office more clearly, please feel free to do so. May we have the reply back as soon as possible, but no later than 23 November.
